EXPERIENCE

J Jill, Quincy — *Production Development Assistant (Temp)*

SEPTEMBER 2025 - DECEMBER 2025

Managed updates in the PLM system, including BOMs, sourcing quotes, and color chips. Owned sample and submit flow, logged and tracked inbound packages. Organized lab dips, strike-offs, trims, and submits. Coordinated with vendors and colleagues to accomplish tasks and maintain deadlines.

TJX Companies, Framingham — *Product Development Intern*

SUMMER 2024 | Technical Design

SUMMER 2025 | Product Development Specialist

Assisted in the technical design of girls apparel. Measured and uploaded specs of garments into the in-house PLM system. Made updates to tech packs. Collaborated with cross-functional teams to ensure product quality and design integrity. Conducted market research to identify trends and inform design decisions.

Party Dress Express, Fall River — *Bridal Stylist* David's Bridal, Dartmouth — *Bridal Stylist*

MAY 2022 - JUNE 2023 and JULY 2023 - MAY 2024

Engaged brides using active listening skills to understand their vision and body type, facilitating the dress selection process. Proficiency in determining bridal gown preferences and creating a special experience. Extensive familiarity with recommending styles and fabrics for all body types. Possesses knowledge of inventory and industry trends. Consistently met and exceeded sales quotas, resulting in high customer satisfaction and increased revenue.

Target, Taunton — *Sales Floor Team Member*

MAY 2010 - NOVEMBER 2014

Demonstrated exceptional customer service skills, assisting customers, and resolving inquiries. Expertly merchandised products, ensuring an attractive and organized sales floor. Effectively trained new team members, contributing to the development of a skilled and cohesive team.
